## Our Mission

The Mission of Center for Community Resources is to make a positive difference in every day lives by connecting people to a network of supports and services essential for actively learning, working and living in the community.

The agency's goal is to coordinate supportive services for individuals and families seeking information & referral for mental health, mental retardation, substance abuse and other human service needs. We are an integrated point of contact working in collaboration with other human service agencies to identify needs in the community and effectively respond to assist anyone seeking help.
